This image shows a 6x14 grid calendar template. The columns are numbered 1 through 14 at the bottom. Each column contains a small red sun/moon icon above the number. Below each number is a light blue box labeled "memo". Red vertical bars highlight the first five columns (1-5) and the last five columns (10-14). There are also horizontal red bars spanning the width of the grid at approximately the 3rd, 4.5th, and 7.5th row levels.
