Book them better speakers and writers of English as well. If Robert F. As a child growing up in New York, he was always fascinated when he heard English being spoken by people whose accents suggested that they came from backgrounds totally different from his own. Miller spent fifteen years in Paris, most of them teaching English at an engineering school of the Paris Chamber of Commerce. She remembers her first day in front of a class. The students all noisily stood up at attention when she entered the room.
